OESJ Official Board of Education Resolution

Whereas, the Oppenheim-Ephratah-St. Johnsville Central School District is proud of all students regardless of record or accomplishment, it is prudent to recognize and congratulate those students who have exceeded expectations by finding a level of success and in doing so, particularly those that exemplify courage, perseverance, fortitude and determination;

Whereas, Oppenheim-Ephratah-St. Johnsville Elementary School student Ainsley Schoff, currently a kindergartener, was diagnosed as a preschooler with Nephroblastoma, a type of childhood cancer that starts in the kidneys, requiring many, many months of chemotherapy treatments and blood transfusions;

Whereas, Ainsley, with the help and support of her loving family, has faced her diagnosis and treatment with courage, bravery and perseverance, enduring it all with a smile on her face;

Therefore, be it resolved, that the Board of Education of the Oppenheim-Ephratah-St. Johnsville Central School District wishes to recognize Ainsley Schoff for her courage, bravery, perseverance and determination and being an inspiration to all.

Signed this 2nd day of January 2019
