

Relationship ~ Rigor ~ Relevance ~ Readiness

OESJ Official Board of Education Resolution

Whereas, the OESJ School District is committed to recognizing outstanding character, work ethic and achievements of our students;

And whereas, the OESJ School District believes that students with outstanding character and work ethic are positive role models who inspire others and should be commended;

And whereas, OESJ 7th Grade student Brandon Hulten demonstrated bravery by stopping to assist someone that had been involved in a motor vehicle accident near the OESJ Elementary School.

And Whereas, Brandon's fast acting intuition helped the vehicle's occupant get to safety. He wiped off her window to make sure she was conscious and alert and then cleared the snow that prevented the vehicle's door from opening to assist her out of the vehicle. Brandon remained on the scene until medical help arrived.

And whereas, Brandon's bravery, responsiveness and willingness to help another despite the potential for danger exemplifies true selflessness and courage and also serves as an inspiration to both students and staff.

Therefore, be it resolved, that the OESJ School District Board of Education hereby proudly recognize and thank Brandon Hulten for his teamwork, overall bravery in responding to help another person.

Signed this 11th day of December 2018

Neil Clark

Board of Education President
